WATERED GARDEN by Linda Beery

Make this heart fertile ground to receive the Seeds of Truth
Till and break the hardness - so that Your Word may take deep root

Sower of the Word of God upon this field of clay
Place Your plow to my self will - Thine be done this day

Remove the clogs of sin and pride that hinder Your Spirit's work
Bring Your kingdom come from heaven - upon this piece of earth

As a watered garden pruned and picked to bear much fruit
Grown up unto Him, matured, and prepared for the Master's use

Lord of the harvest send forth laborers they are few
Send us forth to sow and reap - seeds of faith in You

Time is drawing to an end we see the signs are near
Let us work from dawn till dusk - harvest time is here
